STAY SAFE ON NEW DEVICES

Whether you're an internet newbie or a pro at surfing the web, it's always important to keep online safety in mind. We've pulled together a list of top tips to make it easier for you to protect yourself and your devices in the digital world - helping you steer clear of hazards like misleading information and vicious viruses. There's never a bad time to refresh your internet safety knowledge, but it's an especially smart thing to do before you start using any shiny new devices!
