Miracles of healing

Miracles over demonic powers

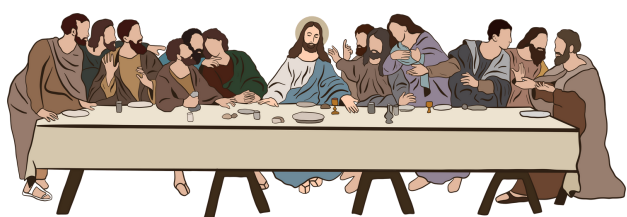

Christians believe the miracles were 'proof' that Jesus was the Son of God.

They learned from Jesus and witnessed the miracles he performed.

They play a key role in the Easter story.

After the resurrection, Jesus continued to appear to the disciples for 40 days.

Ascension Day celebrates Jesus finally ascending to Heaven after his crucifixion.

## Easter

The disciples play an important role in the events leading up to and after the resurrection.
