

What are we learning in Reception this week?

This week is Science themed week!

Tricky words
of the week:

were here
little says

Our structured story:

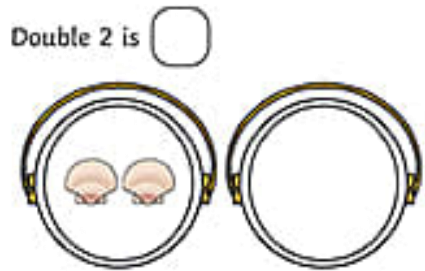

The Very Hungry Caterpillar

123

Mathematics

We will continue to learn about double and half of amounts using items from the classroom such as counters, wooden blocks and shells!

Expressive Art & Design

Butterfly painting. Create different sized caterpillars and butterflies using malleable materials. Make a caterpillar from an egg box.

Communication, Language and Literacy

We will be developing our vocabulary by learning and discussing the following new words:

Life cycle, fact file, habitat, survive, chrysalis

Understanding the World

What is a life cycle? What are the different stages of a butterfly life cycle? Can you think of a healthy meal for a caterpillar to eat? Where is their habitat? How do they survive?

Personal, Social & Emotional

Being resilient! We will talk about how we keep trying, even when we struggle or find something hard to do.

LeaderinMe

We will talk about how we can help our friends.

Phonics

We will be reading and spelling words such as: twist, crisp, string, sprint, scrunch, strand

Read at least 3 x per week with your child and add to Boom Reader!

We are working on securing our pencil grip.

Mr Passade - Monday

(Feet skills)

Miss Yates/ Ms Rieck - Friday (Jumping)

We change ourselves on a Friday!
