

Dear Parents/Carers,

We are after some plastic junk modelling to use as part of our recycled craft w/c 16<sup>th</sup> June.

Please could you help us source the following:

- Bottles
- Yoghurt pots
- Cellophane
- Takeaway dishes/ foil containers

Thank you in advance,  
The Reception Team

# What are we learning in Reception this week?

Sports Morning at 9:10am, Weds 18<sup>th</sup> June

Tricky words  
of the week:

out today

Week  
3

Our structured story:

Clean Up!

1  
2  
3

## Mathematics

We will be continuing our learning about **odd and even numbers**.

We will begin our new unit of counting beyond 20 by revisiting 'ten and some' more and practising careful counting of objects.

## Expressive Art & Design

Use different types of plastic junk modelling to make sea creatures.

Make a poster telling people to pick up their rubbish!

## Communication, Language and Literacy

We will be developing our vocabulary by learning the following new words: rescued, tangled, ruining, notice, collected, brainwave, wafting, release

## Understanding the World

Have you been to the beach/swum in the sea? What is an island? What are wild animals? Do you know the names of different sea creatures? What is an animal sanctuary? Do you know what plastic is? What is rubbish/litter? Why is this bad for the environment?

## Personal, Social & Emotional

We will talk about how to give our bodies a workout. We will know what the word exercise means and how to keep my body fit and healthy.

## LeaderinMe

We will learn to listen with our bodies and heart.

## Phonics

Reviewing Phase 3 graphemes and reading words with long vowel sounds: joint, smart, flight, gloom

Read at least 3 x per week with your child and add to Boom Reader!

We are working on securing our pencil grip.

Mr Passade - Monday (Rackets, Bats, Balls and Balloons)

Miss Yates / Ms Rieck - Friday (Games for understanding)

We change ourselves on a Friday!
