

# What are we learning in Reception this week?

Reception Stay & Learn on 2<sup>nd</sup> April (Seurat) 3<sup>rd</sup> April (Kandinsky) 2:15 - 3pm

Our structured story:

Celebrations Around the World

We are reviewing all our Spring Tricky words!

## Mathematics

We will be learning how to find the missing part by **counting on** or **back**.

For example, if a zoo can have a maximum of 9 penguins and they have 4, how many more can they have?

The children will start with 4 fingers up and then count on to 9, the whole, to find the missing part 4.... 5, 6,7,8,9. the missing part is 5.

## Communication, Language and Literacy

We will be using key words to discuss all things 'Easter' and traditional celebrations.

We will be re-telling the Easter story.

## Understanding the World

Why is Easter special for Christians? How is Easter celebrated? Is it celebrated the same around the world? What plants shall we plant in our Reception garden? How should we care for plants and flowers? What animals are born in the spring?

## Expressive Art & Design

We will continue to represent ideas on paper, using a 'design sheet' before modelling or constructing.

Easter crafting and card making.

I'm a Spring Chicken song!

## Personal, Social & Emotional

We will be taking about belonging to and being a part of a **community**.

## LeaderinMe

We will be learning how to encourage others to reach goals!

## Phonics boom reader

We will be reading words without sound buttons and reading longer words using the **chunking** method.

We will be spelling words such as: buzzer, dinner, pattern, comic, seven, rubbish

Read at least 3 x per week with your child and add to Boom Reader!

## Physical Development

We are working on securing our pencil grip!

We will be weaving like Mrs Noah

Ball skills - Mr Passade - Monday (come in kit)

Dance - Miss Yates/ Ms Rieck - Friday (change into shorts and t-shirt)
