

The Magical Moon.

Beautiful is the moon.
With her majestic light.
She shines so bright.
Hidden from us at noon.

She gets so scared, on her own.
And even though the dogs are yappy.
She tries to make others happy.
She sees the birds rest, because they've just flown.

All alone, she sits in the sky.
She wants to be free.
It's like she's locked up, with no key.
She wants to cry.

Beautiful is the moon.
With her majestic light.
She shines so bright.
Hidden from us at noon.
