

The Moon, My Moon.

The moon, my moon,
Why leave so soon?
You know that I love your wonderful tune.

The moon, my moon,
So big and bright.
Please could you grant my wish tonight?

The moon, my moon,
I can't keep away.
No matter what happens, I'm here to stay!

The moon, my moon,
Just wonderful,
Big, bold, and beautiful.

The moon, my moon,
Where have you gone?
How could you leave me - I'm singing our song,
Please, please don't go away,
I'll love you forever,
We'll meet again someday.
