

Welwyn Garden City

Gosling Sports Centre

I feel lucky to have a sports centre in Welwyn Garden City to have fun. I use it to play golf with my family and I also use it to go trampolining. I often go to fun tyre parties on the ski slope with my friends but I mainly use it for football training every week.

Stanborough Lakes

I like Stanborough Lakes because I paddle in the water on hot days and I always catch fish with my net. I also like feeding the ducks and eating ice-cream at the end of the day.

Family

I am lucky that most of my family live in Welwyn Garden City so I can visit them and go on days out into the woods or play in their big gardens.
