

What Are We Learning In November?

Personal, Social and Emotional Development

- We will continue to reinforce and practise our Nursery routine.
- We will practise sharing with our friends and using kind words and gentle hands.
- We will practice catering to our own needs and reaching out to an adult if we need help.

Expressive Arts and Design

- We will explore collage and printing with different items
- We will explore our voices and percussive instruments

Understanding the World

- We will discuss key words linked to our season - e.g 'pinecone', 'acorn' and 'conker'.
- We will practise our month of the year song and try to identify which month is coming next.
- We will begin to work on our Nursery garden by digging up our potatoes and planting bulbs. We will discuss the life cycle of a plant.

Maths

- We will reinforce our knowledge of 'the same', and 'different'.
- We will practice number chronology and 1 to 1 correspondence.

We will read...
