

What Are We Learning In March?

admin@aplcroft.herts.sch.uk

World Book Day!

World Book Day is taking place on Thursday 5th March. Children are invited to dress up as their favourite book character! If you have a copy of your favourite book that you would like to bring to Nursery on Thursday 5th, please feel free to do so, ensuring it is named.

We look forward to dressing up and celebrating World Book Day with you!

Our next show and tell will take place on **Monday 2nd March**. Children are invited to bring in one item from home to discuss with the class. This could be a photograph, an item linked to a hobby, or something they have made at home. We don't encourage toys to be brought in for Show and Tell due to the conflicts that can arise from this or the risk of them getting lost or broken.

We will read...

Understanding The World

We have been thinking about dental hygiene and healthy choices. In March, we will have a dentist visit us to talk about their job and the importance of brushing our teeth!

Expressive Art and Design

We will continue using our garden and spring time as inspiration for our art work! This week we have been painting daffodils.

We are also practising performing 'The Hungry Caterpillar' as part of World Book Day. The children are getting better at remembering the words and adding expression!

Physical Development

Fine Motor Skills:

Our pre writing patterns this term continue as follows:

We will practise these using pencils, paintbrushes, finger painting and more, in order to continue strengthening our fine motor development.
